

The logo features a stylized icon of a cluster of white squares on the left, followed by the letters 'DIL' in a large, bold, white sans-serif font. Below this, the word 'TECHNOLOGY' is written in a smaller, bold, white sans-serif font, enclosed within a white rectangular box. At the bottom of the logo, the words 'DAY 23' are written in a very large, bold, white sans-serif font.

DIL
TECHNOLOGY
DAY 23

Technology for a changing world

Key Facts

June 13-14, 2023

Presentations and hands-on demonstrations of **new developments** in the fields:

- **Food Technology**
- **Food Physics & Biotech**
- **Ingredients**
- **Sustainable Transition**

Exchange & networking with leading food technology experts and scientists

The DIL Technology Day is aimed in particular at decision-makers, specialists and managers in the food industry and from related business areas as well as from food research & development.

Why should I attend the DIL Technology Day?

The DIL Technology Day gives you the opportunity to

- to learn more of the **state-of-the-art Food Technologies** which helps you, for example, to **reduce costs** and to get a competitive edge
- to **use** the knowledge of the latest developments in the area of **FoodPhysics & FoodBiotech, Ingredients and Sustainability** to make your company **more successful**
- to **connect** to important stake holders, **decision makers** and **leading experts** in food industry and food science
